

Cheyenne Theater Meeting Minutes

January 1, 2024

Attending: Board Members Pat Cress, Larry Barnes, and Robert Grace; and Manager Jessica Lee.

The meeting was held at 6:00 PM, in the *Cheyenne Theater* lobby.

We have a quorum of 3 attending.

We didn't have a financial report, as the meeting was held on a holiday, and the data had not been generated yet.

The [minutes of the last meeting](#), which were in the meeting notice email, were **approved by acclamation**.

We discussed the year-end financials which Robert sent out earlier today. Essentially, **the tickets sold and total income were nearly identical to last year and down about 30% from 2018, a pre-covid year**. We think that the writer's strike hurt us during 2023. We have hope for 2024!

Jessica said the staff did the Thrift Store on December 9, and raised \$444.09, so their **total is now \$10,858.33**, and \$11,458 including donations.

There were minor issues on concession staff availability at one point, but the popcorn give-away went okay.

Pat attended the City Christmas party. It went well.

Dan has been visiting with contractors and is moving forward on the renovation, Pat reported.

We adjourned at 6:35 PM.
