

Cheyenne Theater Meeting Minutes

October 4, 2021

Attending: Board Members Larry Barnes, Pat Cress, Margyre Antholz, and Robert Grace; Manager Jessica Lee, and Assistant Manager Emily Mullins; City Representative Lila Whitmore.

Meeting is held at 6:00 PM, in the *Cheyenne Theater* lobby.

We do have a quorum attending.

The **minutes are read and approved as is the treasurer's report** from Lila.

The west heat pump is not fixed, we don't think. We will check it, and maybe remind *Heartland* again.

We want to review the *Two Pennies* movie before we show it, and we are working on doing that.

Coke doesn't have a driver. We are waiting for them to get back to us. We find out that popcorn is on backorder, too. We have some coming, however.

We have a new vacuum. It works well, Emily says. We are playing with the battery charge on the blower.

No applications for the new employee job. '

Lila says the **license for the *Two Pennies* movie needs to be signed.** Robert will sign it.

We got a **SBA covid grant for \$31,171.73.** That will go into the general fund. This is great news, and we thank Lila for her efforts in submitting the application.

Darla says that we can show the **free movie at 1:45 on the Wednesday before Thanksgiving.**

We think that upcoming movies include *Cry Macho*, and *No Time to Die*. We think that *Addams Family* will require two weekends, but we aren't sure.

We adjourned at 5:54 PM.
