

Cheyenne Theater Meeting Minutes

September 13, 2021

Attending: Board Members Larry Barnes, Pat Cress, and Robert Grace; Manager Jessica Lee, and Assistant Manager Emily Mullins.

Dara and Lila had a conflict with the City Council meeting tonight. Margyre was also unable to attend and gave prior notification.

Meeting is held at 6:00 PM, in the *Cheyenne Theater* lobby.

We do have a quorum attending.

The **minutes are read and approved** when Pat moves, Larry seconds, unanimous. No treasurer's report as Lila (and Dara) can't attend this modified meeting date.

Betty Johnson, *Strategic Doing*, *Dane G. Hansen Foundation* will be meeting in Saint Francis, according to an email from Tom Keller. The Board agrees that we have no new information since our spring meeting with Ms. Johnson, so we won't attend. Robert will email Tom Keller and advise.

There is a **free movie, called** *Two Pennies*. We wonder if we can show it to the school, since it is free to the Theater? Perhaps on Nov 23, the last day of school? Jessica will talk to Darla Raile at the Grade School. Robert will do some research on the movie.

Jessica reports that the new employee is doing well.

The Concert in the Park, where we served concessions, was very slow compared to previous years, at about \$200 gross. We are glad that we did it, however, because it is a great community event.

The Theater staff **worked at the Thrift Store again**. The Boards that this volunteerism is wonderful. It is good for the community.

One employee resigned. We accept the resignation and thank her for her work over the years.

Jessica says the **west heat pump is not working**. Robert agrees to look at it. The vacuum and blower are both inoperative or need new batteries. Jessica will look into replacing them and report next month.

We are **looking for another employee**. We will talk about it at the next meeting on October 4, 2021.

Adjourned 7:08 pm.
